The screenshot shows a game level with a light blue, textured background. On the left, there is a vertical wall of blue ice blocks. Scattered throughout the level are several grey gorilla icons, some of which are grouped together. There are also several blue diamond icons. A red crab icon is positioned in the middle-left area. In the center-right, there is a cluster of blue ice blocks with several orange fire icons on top. At the bottom, a pink horizontal bar separates the game area from a brown status bar. The status bar contains the following information: "Level: 13", a blue diamond icon, "27 : 00", a red heart icon, "5", a green house icon, "00", and "Score: 000537".

Level: 13  **27 : 00**  **5**  **00** **Score: 000537**
